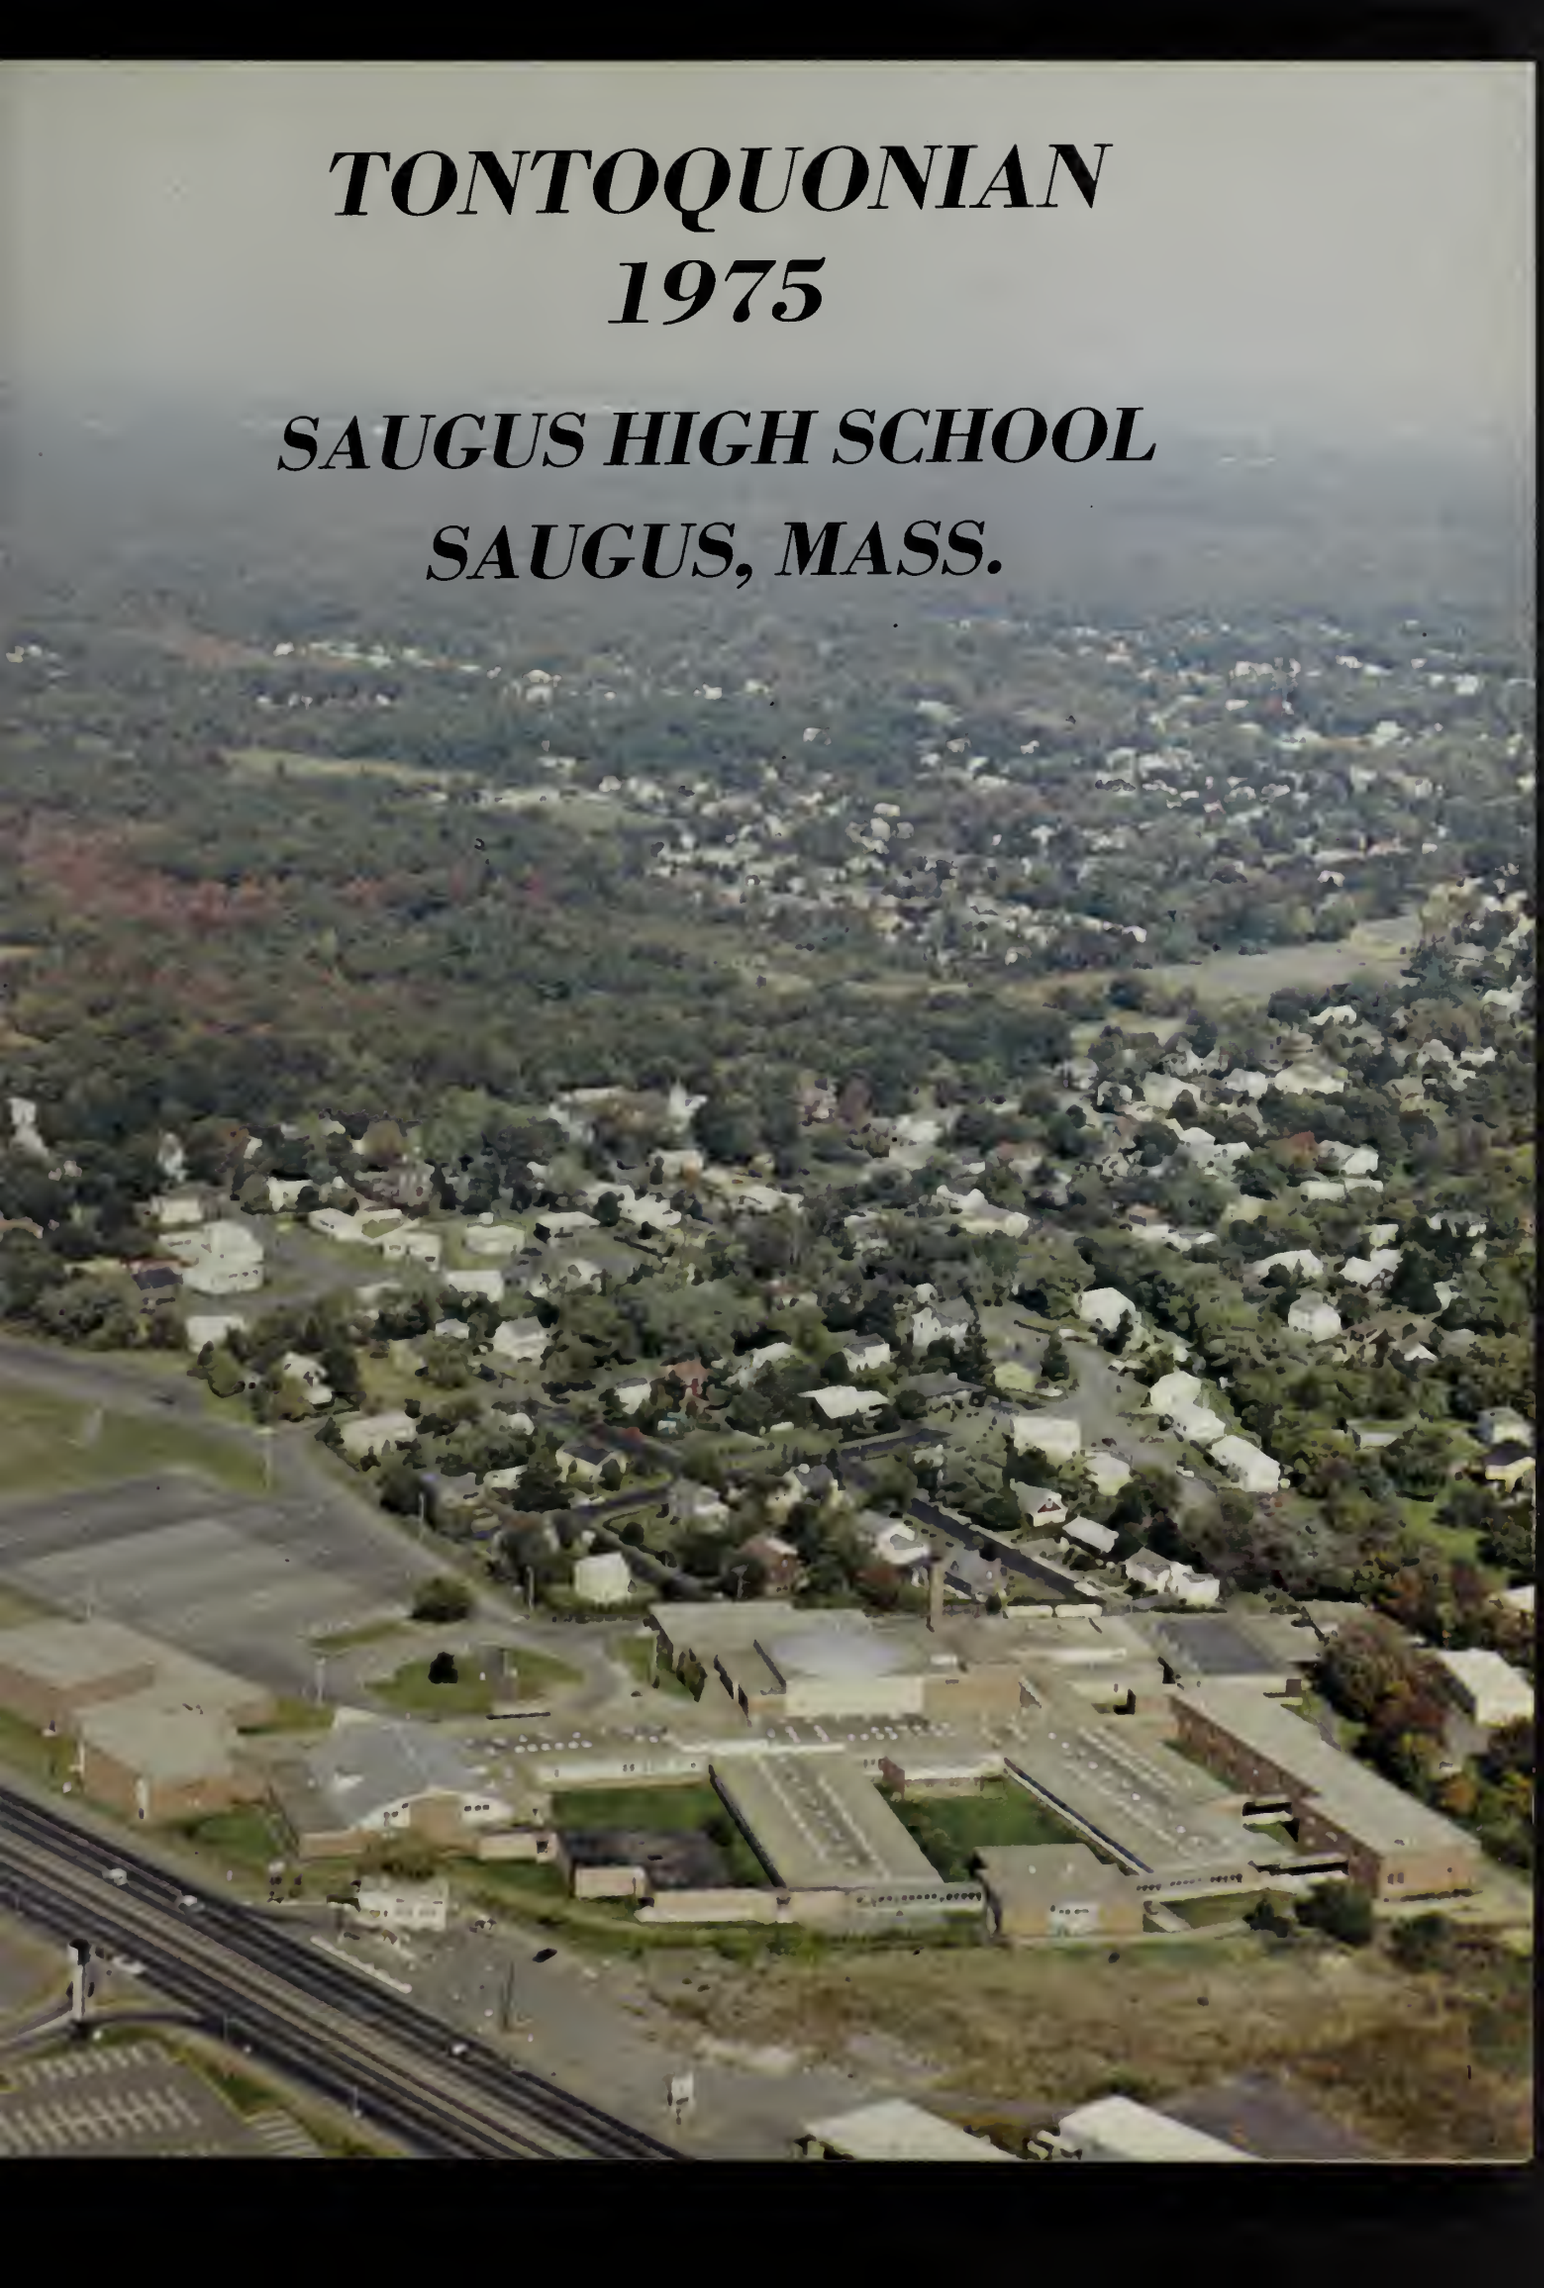
SAUGUS HIGH SCHOOL
SAUGUS, MASS.



The journey of a lifetime
begins with a single step;
reaching and searching for that
intangible moment
when one's identity is
materialized.

DISTILLED
WATER

Tomorrow is the wine of wonder
it teaches all there is to teach
and if we're patient
and we talk to one another
there'll soon be nothing
we can't reach.

75

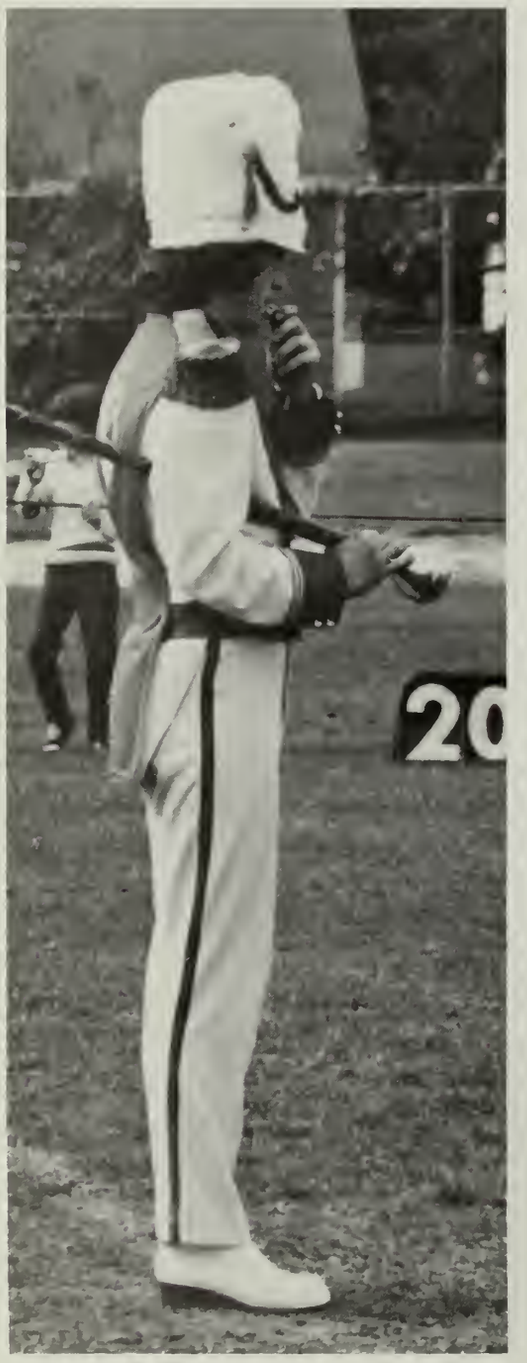
66

We push forward individually
to prepare for the time when
the future becomes the past,
the dream becomes a reality,
a life imagined becomes a life lived.



Every time we say hello
to some new encounter
we're on our way
toward good-by.
